Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Your Amended October Monthly Report (9/1/12 - 9/30/12), received 12/6/12, discloses a substantial increase in the amount of disbursements from those disclosed on your original report. The Commission notes the memo text attached to your report stating, "Please note that the PAC is filing this amended report in order to correct a clerical error. The report discloses an omitted disbursement. Please refer to transaction B444963 on page 134 and update your records accordingly. There are no other changes to this report." Although the Commission may take further legal action concerning this matter, your clarification and any additional clarification you may have will be taken into consideration. 11 CFR §104.3
2. Schedule B of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(a) prohibits a multicandidate committee and its affiliates from making a contribution to a candidate for federal office in excess of \$5,000 per election.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.
